## THE SAVRANOFFS

Members of the Savranoff Company, which comes to Maysville for a concert December 14th on the Lyceum Course, are Lea Savranoff, his wife, Margaret Savranoff, and Russell Chilik. They play the cello, piano, violin, and the Russian balalaika. Mrs. Savranoff is especially good in pianoforte.

The Savranoff program is divided into two parts, including such interesting selections as the "William Tell" Overture, "Will o' the Wisp," Imitation Music Box, Russian Cossack dance, and Woodman's "Birthday Song." A special feature will be Russian folk songs sung in the Russian language. Mrs. Savranoff is reported as a wonder on the violin. He is a graduate of the Imperial Conservatory of Music at St. Petersburg, Russia.

## MR. NOWER ANSWERS CHARGES

In reply to charges made against R. F. D. Carrier in the Dover News, last issue, I will say that I am not guilty of the charges preferred against me by Mr. Perrine Osborne on the night of November 11. I was no instigator of any trouble at all. I was approached by certain parties who were looking for trouble, and all I did was in self-defense. Postmaster Mitchell was instructed to investigate and return the evidence to the Department. I objected to Mr. Mitchell taking the evidence and asked him to send for an Inspector on the grounds that Mr. Mitchell had voluntarily told me and others, should there be a vacancy, he would be an applicant for my position; also said he had written Mr. Fields, M. C., for his support, and had received a reply from him. I have served as R. F. D. Carrier for the past twelve years. In that time I have always tried to do my duty, be accommodating and courteous to my patrons, and to conform to all laws, rules and regulations of the department. And all I am asking of Mr. Mitchell and the department is a fair and impartial hearing. Mr. Mitchell told me he sent the department twelve statements. Most all of these were from my enemies. I consider all that has been done was through malice, spite, envy and jealousy. C. R. NOWER, R. F. D. Carrier, Dover, Ky.

## HIGHEST AVERAGE

Ever Made on the Local Market was Reached on Yesterday's Sales—164,495 Pounds of Tobacco Disposed of at \$17.00 Per Hundred.

The average of the sales on the local tobacco market yesterday eclipsed all figures previously made in this market, when 164,495 pounds of tobacco was sold at an average of \$17.00 a hundred.

A large amount of tobacco was on hands in the various houses. The sales started in the Liberty House and continued as usual until night, at which time only five houses having been sold. The Growers will get the first sale for this morning.

Probably the best showing of the day was made at the Independent Central House where 46,190 pounds of the weed sold at an average of \$17.48 per hundred. As far as we can learn this figure is in excess of any ever made on this market. A crop belonging to Mr. E. W. Carpenter of Wallingford, Ky., sold at an average of \$28.54 per hundred.

This is certainly the best season ever seen for tobacco in this city. Already nearly all of the records of the previous years have been broken and indications are that all of them will be broken before the end of the season. While the tobacco is not going for any high figures, yet the lowest price that has been paid this season has been at \$7.25 per hundred. Yesterday's sales ranged from \$7.25 to \$31. This is about the usual rate of the sales.

## FIRE SCARE

The fire department was called to the home of Mr. and Mrs. Noah Johnson, colored, on Fifth street yesterday afternoon about 1 o'clock. Upon arriving there the department found that there was no fire, the big smoke having been caused by some burning meat. The neighbors had noticed the smoke and turned in an alarm. Mrs. Johnson, upon smelling the burning meat thought that her baby had burned up and fainted. She had left the meat on the stove and had left the house.
